

Wootton Physical Education A Standards Based Approach

Our Mission

The mission of the physical education department at Wootton High School is to provide students with the knowledge, skills and opportunity to be a physically educated person, not just for the present, but for a lifetime. Physical Education is an integral part of the educational process. In addition to physical well being, physical education assists the child in emotional and social growth

A Physically Educated person

- Has learned skills necessary to perform a variety of physical activities
- Is physically fit
- Does participate regularly in physical activity
- Values physical activity and its contributions to a healthful lifestyle

State Standards

- ◆ Standard I: Exercise Physiology – Students will demonstrate the ability to use scientific principles to design and participate in a regular, moderate to vigorous physical activity program.
- ◆ Standard II: Biomechanical Principles-Students will identify the effects of forces on different types of sports and activities
- ◆ Standard III: Social Psychological Principles- Students will experience the benefits of teamwork and working together toward a common goal.
- ◆ Standard IV: Motor Learning Principles- Students will Perform activities in a variety of ways to create “Motor Memory”
- ◆ Standard V: Physical Activity- Students will illustrate knowledge of the principles of exercise physiology, social psychology, and biomechanics by designing and adhering to a regular, personalized, purposeful program of physical activity.
- ◆ Standard VI: Skillfulness- Students will demonstrate the ability to enhance their performance in a variety of sports

Graduation Requirement

The Montgomery County Public School System requires all students to complete two semesters of physical education in grades 9-12 for one full credit. Students with special needs are accommodated in the program and are not excused from the requirement.

How is Wootton Different?

Wootton students are required to take a Principles of Physical Education Class as their first half credit in P.E. The second half credit, students have their choice of P.E. electives
